Building into your Business

Imagine what you could do with clarity, vision and focus! This workshop will help you to ensure your business or organization stays ahead of the competition and embraces the challenges posed by the local and global marketplace. Investment in developing high-level skills within your business is key.

Business Action Plan

What your business needs - is investment - an investment of time to remove distractions & focus on what your vision is for the coming year.

Learn strategies and skills to help you achieve your business goals and dreams.

Artisan Branding

Creativity is not a competition.

If you are looking for direction & inspiration for your artisan business this workshop will help you build your business on your gifts and talents, what makes you unique, online presence and launching your art into the world.

Be Brave with your Life

The difference between who you are and who you want to be is the what you do.

Through this workshop we will dig to discover focus, a plan and all the endless possibilities!
